

GENERAL INFORMATION

Sessions: Classes are offered in two 17 week sessions that follow the school year, and summer sessions that vary in length.

Class Schedule: Refer to the calendar for important semester dates. We do not take off the single day FCPS breaks (teacher workdays ...). Classes offered by other groups or teachers may follow a different schedule. Be sure to confirm dates.

Absences: Students may make up missed lessons during the current semester. Please ask your teacher to suggest an appropriate class.

Attire: Please check with your teacher as different classes will have different needs.

Facilities: Help keep the space clean and tidy. All personal items should be left in the dressing room, not the lobby! If there is a problem with the facilities please let your teacher know so it can be fixed. Food and drink are only allowed in the kitchen area!!

Waiting Areas: We are fortunate to have enough space for parents and quiet siblings to wait during class in the back lobby. This area is not supervised and children should not be there without an adult. Always be courteous to the dancers and keep the noise to a minimum. Please do not make a habit of watching class. Students need time to work and will gladly demonstrate their talent in performance.

Performances: Students are invited to participate in the annual spring performance. Students performing in the production will have an additional performance fee due in the Spring Semester to cover the costs of the costumes and theatre rental. Performing is a wonderful experience that everyone enjoys!
